Additional Comments: Beachbody Super Saturday South Carolina April 25, 2015 - We have another great Beachbody Super Saturday planned. It will be held at the same location, Beulah Baptist Church. There will be a lot of great information on nutrition and workouts along with just hanging out with great like-minded people. There will also be a video from Beachbody Corporate. Afterwards, we will have a workout from one of the Beachbody Programs that will be easily modifiable. 21 Day Fix Extreme will be out and we will likely do a workout from that program. You can modify the moves so don't worry about that. Just do your best and forget the rest. Watch me. I will show you how to modify!! We will also likely have shakeology and recovery drink tastings. Wear your exercise gear to the meeting. Totally casual. So, again, it will be April 25, 2015 and will be 10 AM until about 12:30 PM. Plan on being there. See you at the next Super Saturday and bring some friends!!!! It is going to be at 9487 Garner's Ferry Road, Hopkins, SC at Beulah Baptist Church (www.beulahbaptist.com) It will be in the building with the blue metal roof at the rear of the church. Fee is \$5 for Beachbody Coaches and free for non-coaches to help pay for electricity and facility use. RSVP is nice but not necessary. Just come and bring people. Call me if you have any questions 803-477-8980.

Additional Comments: Here we go again coaches!! Getting this one prepped early to ensure we have a HUGE turnout! This is our quarterly event where we get together to talk updates, get motivated, learn about new product launches or changes, and network with each other to learn all we can about taking our business to the top. Those who attend events are much more likely to succeed than those who don't. Don't sit around waiting for your future to happen. BE INTENTIONAL about it. Commit to this Super Saturday NOW and don't let anything stand in your way of attending. Bring at least one person with you...preferably someone who is interested in becoming a coach. This is a great way for people to get a sample of what we are about...it's a great way to grow your team! See you on the 25th of April We will workout our bodies after we workout our minds, so be dressed to sweat!!!!

This is our quarterly event where we get together to talk updates, get motivated, learn about new product launches or changes, and network with each other to learn all we can about taking our business to the top. Those who attend events are much more likely to succeed than those who don't. Don't sit around waiting for your future to happen. BE INTENTIONAL about it. Commit to this Super Saturday NOW and don't let anything stand in your way of attending. Bring at least one person with you...preferably someone who is interested in becoming a coach.
